

Dear Members:

Congratulations Santa Cruz Moose Lodge 545! Our Lodge was awarded the Lodge Merit Award for 2005-2006 in Chicago at the International Convention. We reached our membership quota and all the requirements established by Moose International. Congratulations everyone!

Congratulations to the Ritual Team for making Santa Cruz proud at the International Competition. GREAT JOB GUYS!

hope everyone has noticed that the outside grounds surrounding the lodge is looking pretty spiffy lately. THANK YOU to Ernie Avelar, Lonnie Moseley and others trimming, mowing and cleaning. Also, THANK YOU to Alan Grundy and Mickey Lundin. We now have a brand new sturdy ramp at the front entrance. One again I would like to THANK all of the members that have volunteered their time and talent to the daily operation of the Lodge. Remember, if you are, or know someone who is interested in helping out, please let one of the officers know. There is always something that needs attention AND we are always looking for someone to make a fabulous dinner on a Friday night.

Be sure to check the calendar for all the food and fun that is scheduled for July and August. Plan to bring the family down for the 4th of July BBQ. Also, please take note that our Lodge is hosting the District Social on Saturday, August 5th. Plan to attend. You can meet members from other Lodges, dine on a meal served by our great cooks and hear what other Lodges are doing.

School is out and summer is upon us and that means travel, vacations and family. Please, be safe this summer and Support your Lodge. Fraternaly, Chris Grundy, Governor

From the Administrator,

It has already been 2 months since the beginning of the new Officers took office. There have been some changes in and around the Lodge already. How about the new access ramp out in front of the Lodge? Thanks to all of the members who contributed their time to this worthwhile and much needed project.

It has only been a couple of weeks since the International Convention in Chicago. There many things were discussed but one of the biggest ones was a statement by a speaker during one of the sessions. It was, "Moose International doesn't charter bars, Moose International charters Lodges." There have been some problems that not only affected Lodges, but affected Moose International as well. If you are not a MEMBER IN GOOD STANDING in your Lodge, you are NOT allowed to make purchases in the Lodge... Moose International is starting to enforce the private policy and TIP's training for all bartenders.

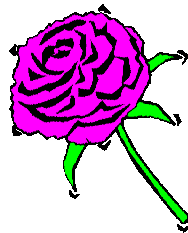

So please check your cards and pay your dues on time to the Lock Box so you will always be in GOOD STANDING! When you arrive for your first drink of the evening, please show your up to date dues card. We don't want to have to refuse service to a member because their dues aren't current. If you are having problems renewing please contact an officer for assistance. Thanks for your support in this matter.

Fraternally, Perry Lee James,
545 Administrator

The National Park Service has announced that a design has been selected for a permanent memorial to be constructed at the crash site of United Airlines Flight #93 in Somerset County, PA. Flight #93 crashed on September 11, 2001 after several passengers attempted to gain control of the plane from hijackers. Each fraternal unit of the Moose is being asked to donate "\$93 for 93" by April 30, 2007.

545 members as your Community Service Chairman I am proud to notify you that our Administrator Perry James presented our contribution at the International Convention in Chicago! Our Lodge was one of the first contributors in our fraternity to this cause. All checks, for total funds collected, will be presented to a representative for the Flight 93 Memorial at the 2007 International Convention in Orlando, FL. A list of the individual fraternal units that contributed will be attached to the check for proper recognition by the National Park Service, the Flight 93 Advisory Commission, the Flight 93 Memorial Task Force and Families of Flight 93, Inc. This community service effort is intended to be as simple as it sounds. If all fraternal units would contribute a minimum of "\$93 for 93", Moose International would be able to present a check in the range of \$350,000. This would mean:

- Unlimited positive publicity for the Order
- Lasting testimony to the generosity of the fraternity and its members
- National recognition that would benefit all Lodges and Chapters

Additional information about the Flight 93 Memorial can be found at:

Community Service Report International Convention May 28, 2006

Members and Friends of 545, I was present for Director Shawn Baile's report to our Fraternity on Community Service. I can't begin to tell you the effort that our Fraternity has given to our Communities on a National scale. Bottom line-Moose hours, miles and donations topped over \$75 Million!! And 545 is part of that! If you are able please go to our website at www.scmoose545.org, then to the International and State links and get an inspiring report.

Please forward to me your Community Service hours, miles and dollars for the months of May, June & July by July 21st so I can turn in our 545 report to the International. Send to Jdsotelo@aol.com or place on the new Community Service Bulletin board at the main entrance to the Lodge. Please check for info and updates on our upcoming Community Service projects for our 545 members. We will be participating in the Alzheimer's Memory Walk, Monte Foundation Fireworks Extravaganza, Moose Youth Awareness, SC PD National Night Out and more!!

JD Sotelo, 545 Community Service Chairman

Ladies of 545 Committee:

Calling all Ladies of the Santa Cruz Moose Lodge 545 that would like to join our new committee. If you have ideas for fundraising, event planning and community service events to help support our Lodge and raise money, please join us.

Our first committee meeting will be held at the Lodge on Tuesday, July 11th at 6:00pm. We will be meeting the second Tuesday of each month until the Dart League starts up again in the fall. Then we will switch to the second Wednesday of each month. This temporary schedule will accommodate all of the Ladies that wish to join the "Women of the Moose". If you haven't yet joined the W.O.T.M. and are interested, talk to one of the co-workers at the Lodge or come to a Ladies of 545 meeting.

If you are unable to attend the meetings and are still interested in our committee, please fill out the "Ladies of 545" form in the Social Quarters. Or, email me at Ladiesof545@scmoose545.org and you will be added to the email list.

Come join a group that will make things happen and have fun.

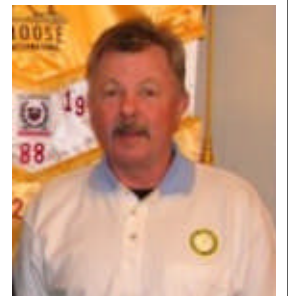

Your Santa Cruz Moose Lodge #545 Ritual Team competed at the

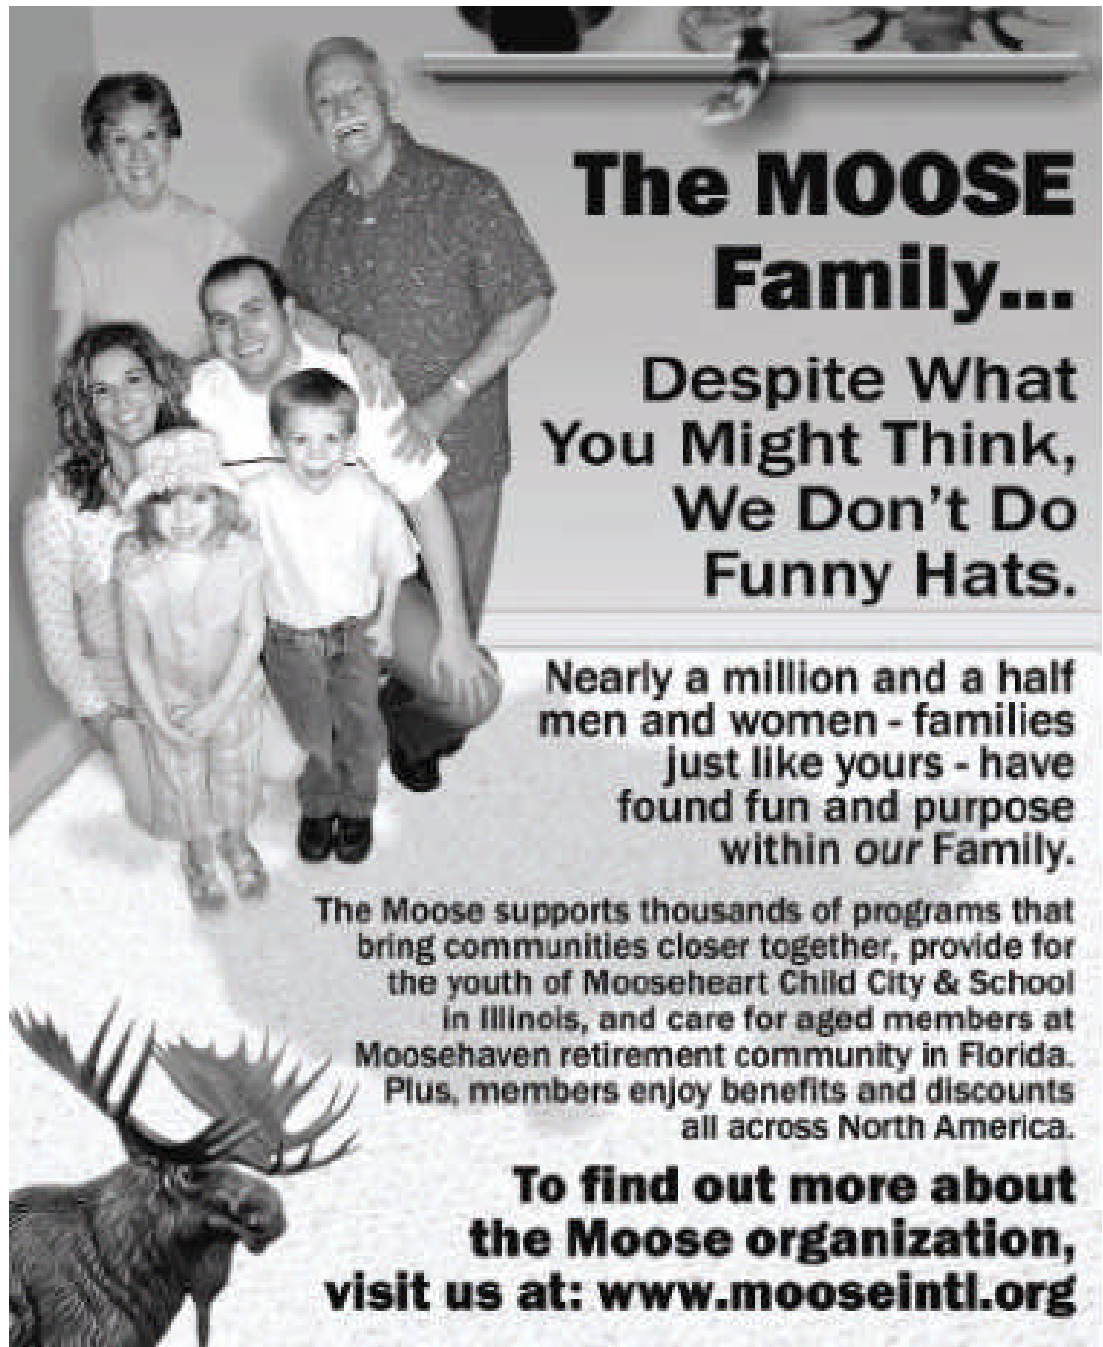

International Convention in Chicago at the end of June. Our team did an admirable job and though we did not crack the top 10 as a team I can report that Lonnie Moseley was our top ritualist garnering 5th place in the Fraternity! Way to go Moe, you put Santa Cruz 545 on the map again!

I would like to thank all our members, friends and Lodge Officers who graciously donated their time, effort and funds to help us get back to Chicago. Our team puts in a lot of work, countless hours practicing, traveling, and Enrollment Ceremonies in order to put our best foot forward in presenting the Loyal Order of Moose to our new members. I hope that all our members can make it down to an Enrollment Ceremony and see Ritual done right!

JD Sotelo, 545 Ritual Chairman.
