Members, Friends and Associates,

I'd like to begin by thanking everyone who volunteered at our lodge. It is because of your efforts that we have one of the finest lodges in our fraternity. We had big turnouts for our Mother's Day and Father's Day breakfasts. Please extend big kudos to all the cooks who dished well over 100 meals for each one. If you haven't tried one of Sunday breakfast then you are missing out!

Once again Moose 545 members were there to put up flags for "The Avenue of Flags" on Memorial Day. It is a nice tribute to remember our Nation's fallen Hero's.

I'd like to remind everyone that the social quarters hours are guidelines for closing time. It is entirely up to the social quarters volunteer discretion.

Thanks to the outgoing Board of Officers for their willingness to serve and a special thank you to the WOTM for all they do and to let them know it is greatly appreciated by all. I feel privileged for the opportunity to be your governor for this term and I look forward to seeing you at the lodge.

Bobby Oneto, 545 Governor

From the desk of Administrator Perry. . .

Greetings 545 members and ladies,

Since I have just returned from the International Convention that was held in Las Vegas, I can tell you that there are a few changes coming down the turnpike. All of the changes to the General Laws passed. They don't go into effect just yet, but they will right shortly. This will change how we do business a little bit.

Santa Cruz 545 won the Lodge Premier award this year. How about a big hand for all the Officers and members who made it all happen.

The active members in the Lodge stands at 366 with 61 in arrears. We need to do some quick work to get the arrearage (61) down. The Lodge made Plus 1 last year thru some last minute phone calls and personal contact by several members. Let's get this arrearage down and just see if we can't keep it down, OK?

Perry James, 545 Administrator
