Hi all you Moose people,

This is Ray just writing a few words letting you know this will be my last message. There are a lot of people that I would like to thank for sticking with me for the last year. I want to thank my Board of Officers who've stuck with me through thick and thin. We had an excellent board this year and got a lot of stuff done. And I want to thank all the Thursday and Friday night cooks for helping me through this last year. They really stepped up to the plate and we really had some excellent Friday night dinners. I should know, I've put on a few pounds! I want to thank all of my bartenders for putting up with me, sometimes it takes a lot. Speaking of the Social Quarters, if you haven't looked up at the ceiling, thanks to J. R. and his crew for putting up the sound barrier and the fabric. I think the ceiling looks great. And thank you Jack for doing a great job. I hope you were able to enjoy the Legacy of the Moose, put on by our past Governor Vince. And also coming up April first, second and third, we have our 100th Anniversary. Scott and his committee are doing an excellent job getting things ready for the anniversary. Keep a look out in your bulletin for all the things that are coming up in the next couple months. I hope that you can become a part of it. Make sure to come and vote on the first Thursday in April. We will be voting in a new Governor and a new Board of Officers. Remember, your vote counts. Come on down to the Social Quarters. There's always old faces and new faces and sometimes you might see an old face that you haven't seen in awhile. I have enjoyed my year as Governor. We've had some things happen that just came up for the first time that we've had to take care of but all in all, it has been a really good year and I've enjoyed all the old members and the new members and hoping that the new members that are coming in will get involved and make the lodge a better place. To say one other time, this will be my last message as Governor. And if I didn't say thanks to everyone for all that they have done, I want to say Thank You very, very much. There's another brother that I want to thank and that is Mick for keeping Perry and Sue warm in their office with their new windows, they look really great Mick! And Thank you Mickey and Bobby for removing the broken window and putting in a new one. Thanks Dan and Dale and the crew for cleaning up the horse shoe area. It is now a pleasure to actually go down there and sit, enjoying the peace and quiet. And I also want to thank Laurie G. for all she has done to help me make my job easier. I want to congratulate Sandi and Kim for being chosen to be put on the plaque for Ladies of 545. I'm signing off and saying again thank you for all everyone has done for me in my year as Governor.

545 Governor, Ray Gibson

The Time is Now

*Santa Cruz Lodge 545 Officers, Chairs & Volunteers welcome all our new members to their new Moose Family Center. Please, come down and enjoy your new home! Also, thanks to our Lodge sponsors for fulfilling their obligation to strengthen our order.*

**545 Members, Ladies and Friends. . .**

Did you know that you can now, until April 30, 2011, get a new member

for \$0 enrollment fee? The only catch is they have to be enrolled by April 30, 2011 also. The application must be accompanied by the first year's dues. That combined with Two For Dues for the next year is one heck of a deal. Also, a word from the Administrator, please write clearly when the application is filled out so everything can be read. Some applications are hard to read the information and it causes mistakes when the applications are entered into the computer. Thanks

Friday night dinners are doing great. For the most part, people are signing up by Wednesday before the dinner so we have an accurate count. There are still a few who wait until the last minute to sign up. You know who you are. Starting now, the sign-up sheets will be removed on Wednesday night and if you aren't on the list, you will have to get on the waiting list. If there is enough food, you will get served. Also, after you have signed up for 3 dinners and have not shown up or canceled, your name will be moved to the waiting list and the same will apply. It's terribly inconsiderate to sign up for a dinner and not show up AND not cancel out, OR to show up when you have not reserved a meal. We will do what we can to remedy that.

All things considered, Lodge 545 is the greatest Lodge in the Fraternity. And all its members, volunteers and supporters are what make it so great. Keep up the great work! Perry Lee James, 545 Administrator

**++ LADIES OF 545 Community Service ++**

One year ago, Governor Ray Gibson presented a plaque to acknowledge the time and effort women contribute to this lodge. His request was for us to come up with a title for the plaque and to continue the tradition by adding another name each year of a woman that has done outstanding work for the benefit of this Lodge.

This was not an easy task because so many women are active and continually volunteer side by side with the men to make this big building a family friendly, community oriented, smooth running organization for all of us to enjoy as our very own Moose Lodge. So, on behalf of everyone that enjoys this Lodge, THANK YOU, to all of the Ladies, no matter how big or how small your contribution is.

Thru a nominating and voting process the title: “Outstanding Ladies of 545” was chosen. Thru this same process we arrived at the “2010 Outstanding Lady of 545”, well actually, because of an unbreakable tie, this year we have two ladies: Sandi Brown and Kim Welch.

On behalf of the “Ladies of 545”, thank you Sandi and Kim for everything you did and continue to do to earn the title of “Outstanding Ladies of 545” for 2010.

*Laurie Grundy, Ladies of 545” Chair*
