Santa Cruz Moose Lodge #545 Men, Women and Families:

I would like to thank everyone for making this summer's Family Day on Saturday, August 17th a great success. The weather was great and the food was delicious. Those that attended had a great time. THANK YOU to everyone that volunteered that day to make the event fun with members and their families.

Thank you to all of the men and women that volunteer to keep our lodge operational and looking its best. With busy schedules and lives, some of you go above and beyond, putting in extra time without complaining. Your lodge would not survive without volunteers and it can always use another helping hand or two to lighten the load. The Moose motto: **"for a burden heavy to one is borne lightly by many!"**

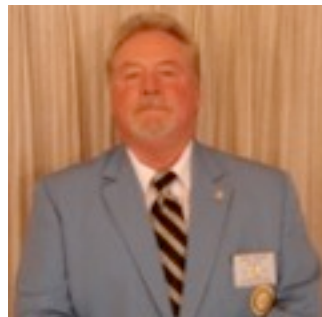

One of the hard working members deserves a special THANK YOU! The kitchen manager, Jeff, puts in lots of hours working with a variety of chefs and cooking team personalities, keeping the kitchen stocked, shopping, cleaning, organizing and cooking, all on his own time. Be sure to thank him for his hard work. Also, he could always use some help.

Check the calendar and plan to attend and support your lodge, Mooseheart, Moosehaven and your community at the various events that are planned for September and October. Some of the events include the Sept 2nd Labor Day BBQ, Sept 14th is the "Fix-It-Fiesta" fundraiser for the Mooseheart School Renovation project, the popular Prime Rib dinner is on Oct 4th, Oct 20th is the Legion Conferral and the Halloween Party is Oct 26th. Be sure to check the calendar for Friday night dinner schedules. There will be a breakfast every Sunday with the Legion on the 2nd Sunday of the month and a "Men's Team" and a "Ladies Team" taking turns on the remaining Sundays.

Thank you to the members that are involved in community service projects such as the Adopt-a-Highway program, Meals on Wheels, Valley Churches and so many more. THANK YOU everyone for stepping up and volunteering all of your time and hard work, no matter how big or small your contribution is.

Fraternally, Chris Grundy,
545 Governor

House Committee Meetings

The House Committee is required to hold at least two meetings every month. These meetings must not be combined with the meetings of the Board of Officers. Since the same men compose the House Committee as the Board of Officers, there must be a clear distinction between the two meetings. No House Committee business shall be considered at a meeting of the Board of officers or Lodge; similarly, no business other than Social Quarters business shall be considered at a House committee meeting.

The Administrator, as secretary of the committee, is required to keep minutes of all House Committee meetings in a separate book from all other Lodge meetings. House Committee minutes must be read and approved at the following House Committee meeting. Since House Committee minutes are confidential, they are not read or otherwise disclosed to the Lodge.

Members desiring to bring Social Quarters business to the floor at a Lodge meeting should be immediately ruled out of order by the Governor, and invited to present their remarks at the next regular House Committee meeting.

Social Quarters Manager

The House Committee may employ a Social Quarters Manager who may be male or female, a member or non-member. The Social Quarters Manager shall be the business representative of the House Committee. The House Committee may employ the Administrator as the Social Quarters manager. However, no elected Officer of the House Committee may be the Social Quarters Manager (volunteer or employed), or otherwise be employed by the House Committee. (The Jr. Past Governor's position is exempt from nullification as this position is not elected) The Social Quarters Manager is accountable to the House Committee for all aspects of the Social Quarters operations. The Social Quarters Manager enforces all regulations and policies, approved by the House Committee. House Committees members are the governing body of the Social Quarters, with responsibilities of overseeing the operation, and not the day-to-day managing of the Social Quarters. The Social Quarters Manager or his/her authorized employee should address questions or problems. The Social Quarters Manager employs help as necessary to operate the Social Quarters, according to policies established by the House Committee.

authorized by the House Committee.

(Article continued page 13)

Members on the rolls are 363 and we need 24 members to show a positive improvement!

Please Note that we need your volunteer help on our Adopt-A-Highway Clean-ups on the 4th Saturday of the month , thank you in advance!

Administrator's message continued from page 4 -

Employee Supervision

All employees of the Social Quarters are under the direct supervision of the Social Quarters Manager. As the business representative of the house committee, it is his or her responsibility to carry out the formal decisions of the House Committee. This is particularly applicable, but not limited to, relations between the House Committee and its employees. Confusion and conflict results when members of the House committee attempt to give orders to employees. A House Committee member's authority is effective only when serving at a regularly convened House Committee meeting or as specifically authorized by the House Committee.

House Committee Employees

It is the responsibility of the Social Quarters Manager to see that each employee is properly trained.

Participation in social activities by employees while on duty (unless approved by the Social Quarters Manager) is prohibited.

When an employee has a question regarding their job responsibilities, the Social Quarters Manager is to be consulted.

Thank you Moose Lodge #545 – Cub Scout Pack 676 appreciates your continued sponsorship.

Annually Cub Scouts throughout the nation rally for Fall Popcorn Sales as a Pack fund raising activity. Popcorn sales is Cub Scout Pack 676's only fund raising activity. The proceeds from the sales of popcorn are distributed 30% to the District Council, 30% to the Popcorn Supplier and 30% to the Pack.

The monies earned by the Pack through the sale of popcorn are used to pay for awards that the Cubs earn in working towards rank achievements each year; for camping trips for the Cubs and their families; and other community service events. We are currently working with Holy Cross Cemetery to adopt and care for two plots that are over 100 years old.

Cub Scouts who sell over \$2,500 in popcorn in one selling season will have a college scholarship fund created for their future use.

Cub Scouts will be available on Friday, Sept 20, selling popcorn. Thank you for your continued support of Cub Scout Pack 676.

Santa Cruz 545 Fix-It Fiesta To Benefit Mooseheart!

To All Moose Members,

We are all aware of how fantastic Mooseheart is. We all know the help it provides to numerous children, who without it would most certainly be on track for a hard life which could include extreme poverty, and or illegal activities. We also know that Mooseheart operates on our donations, and they are in need.

Mooseheart is currently raising money for a renovation project. This will fix the current plumbing and heating issues, as well as add air conditioning. It will replace asbestos filled walls with clean, safe walls. This project will also expand the school nearly 20,000 square feet. I'm sure we can all agree this is a very worthy project.

That is why our Moose Lodge 545 is hosting a benefit dinner for Mooseheart. Our event will be Sept 14th. Doors open at 5:30, dinner is scheduled for 6pm. We will be serving an authentic Mexican dinner, fitting of a fiesta. There will also be a live auction. Tickets for this event are \$40, and include \$2 in 'Bar Bucks', and available on-line at <http://www.brownpapertickets.com/event/427225>

There are many way you can help out. Of course we'd love for you to attend the event, we also need donations for the auction, any cash donation you'd like to offer and volunteers to help the day of the event. For more information, or to help out please contact Mark or Christina Mancuso at CMancuso_swim@ymail.com, or by phone at (831) 334-8273.

Christina, a 545 fundraising volunteer!

Alzheimer's Association Memory Walk

The Alzheimer's Association, the world leader in Alzheimer research and support, is the first and largest voluntary health organization dedicated to finding prevention methods, treatments and an eventual cure for Alzheimer's.

This year I am looking to raise donations for our *Santa Cruz Moose Lodge 545 Team* by way of an online appeal. You are welcome to walk but my focus is on raising funds by email. I will be sending you an email as written on your Moose Application. If it has changed please email me at jdsetelo@aol.com with your updated email address. If you don't have email there will be envelope/brochures for your contributions at the Lodge. Please remember to fill in our team name on the forms. The Monterey Bay Memory Walk will be held at Seascape, Aptos on Saturday, October 5, 2013. Last year, this Memory Walk raised over \$250, 000! And the Santa Cruz Moose Lodge was part of that effort. I am asking you to support our team "*Santa Cruz Moose Lodge 545*" with your donation and, if you are so motivated, also with your fundraising efforts with your family, friends, and associates.
