Brothers & Ladies,
Thank You for voting me in as Santa Cruz Lodge 545 Governor!
I would like to thank the last Board of Officers for their work, the committee chairs and all those volunteers who made our Lodge so successful these past years. This Lodge is a great place and a fun place to attend because of your efforts. And I hope we can keep up our good work.

I have discovered that I have to attend and oversee the following 545 meetings every month for the next year— Our regular meeting, planning meeting, Officers meeting and House committee meeting. I will also be attending the Lodge Legion meeting.

As your new Governor I am required to attend all District Socials, the bi-annual CNMA state conferences and the International Convention.

Additionally, I may be required to attend any special meetings, celebrations that may come up. As you can see I will need help. I still work full time for PG&E and I may be required to work causing scheduling problems so with that said I want to thank my new incoming Board in advance for all the help they are going to give me!! Especially to Jr. Governor Brian Armstrong as he is my second and is new to the Board. I would hope that all the current committee chairs would remain in place, if you want to discuss your status, let's go ahead and talk at one of our upcoming meetings. I still want to continue participating in our Community Service projects as I enjoy helping out. And keep attending our Friday night dinners! Wow! There is a lot to do, I just got tired!

I would like to finish by encouraging all those new members that have recently been enrolled to contact me if you would like to volunteer for Thursday burgers, a Friday night dinner or anything that appeals to you. Let's talk.

Lastly, we need to keep our Lodge strong, please bring in a new member this year, ask a friend, family member or business associate to join the greatest Lodge in the Fraternity!
Vince Martinez, Santa Cruz 545 Governor

Ladies and Members of 545,

As you read this bulletin, a new Board of Officers is taking the reins and moving the Lodge forward. I wish to thank the retiring Board of Officers for a job WELL DONE! I hope all our members will support the new Board of Officers in the next year for continued success. On another note, the Lodge managed to get our membership quota for the last year. Let's keep the applications coming in. The more members the Lodge has, the better off we are.

The Ritual team will be going to the Int'l Convention in Las Vegas in June. Please support the team by attending any fundraising functions the team has in the next couple of months. Always remember "a burden heavy to one is borne lightly by many."
Thanks for your support. Perry Lee James, Administrator

**545 Starts the "Recycling Technology for Mooseheart"
Cartridges for kids program!**
