GOVERNOR'S MESSAGE

Hello Moose Family-

A lot has happened since the last newsletter. I hope you and your families are safe and well. I am really proud to be part of an organization that came together for our community during the wild-fires and honored to serve the 545 as Governor.

We've got exciting things going on here at the lodge, and we're continuing our donation efforts for the community. We held our first general meeting as your new board and welcomed several new members to our fraternity. We now have the ability to accept payment with cards at the lodge, so we're not cash only anymore. We have some great meals coming up, so be sure to check out the calendar and come dine in, dine out, or takeout a dinner

We've all gone through a lot this year, and we're still here, stronger than ever!

I hope to see you all at the 545 soon!

Your Governor,
Jeff Shaver

*** WANTED !! ***

Cooks / Cooking Teams / Servers / Helping Hands in the Kitchen

In order for your Lodge to survive these hard times, more meals and events need to be planned, which means more volunteers. Please talk to an officer on the Board if you are interested in volunteering.

Thank you!!

*** HOURS OF OPERATION/EVENT UPDATES ***

JR. PAST GOVERNOR'S MESSAGE

Greetings members,

It's been a while since I last sent out communication. Lot's has happened since our last news letter and I have forgotten where we even left off on sending the last one. My days still get confused with this new schedule of limiting pretty much everything you do in life.

Most of you know we opened an emergency evacuation center at the lodge during the CZU fires. We housed about 40 evacuees most of them Moose members. We were feeding about 60 people a day meals. We were also running supplies up to the volunteer fire stations including Zayante, Felton, Ben Lomond and Boulder Creek. We provided meals and drinks to Scotts Valley PD, CHP, SC Sheriff, AMR, Cal-Fire along with a bunch of assisting police and fire crews from around the state. We supplied truck loads of water to Boulder Creek for people to grab when they had none or couldn't use what they had.

We had a huge outpouring of members and non members donating time and supplies including other lodges. I wish I could list out all of the people that helped us. The Moose brothers and sisters that worked thankless for so many days. These men and women made me proud to be a Moose!

Currently we are finishing up with a fundraiser for the volunteer departments. We are over \$5,500 with the help of Cami and the Mustang Club.

I have passed on the torch to Jeff Shaver as Governor. I was blessed to serve you all as the Governor. Thank you all that supported me while in office. I would also like to take a moment to recognize my wife Valerie for her love and support with all my time away from her while focusing on the Moose.

Fraternally yours,
Jim
